Resist meeting March 20, 1977

Present: Hilde Hein, Michelle Russell, Mary Louise Kean, George Vickers, Margery Davies, Madge Kaplan, Paul Lauter, Wayne O'Neil, Louis Kampf, Carole Smith

Financial Report: Good return on the contributors mailing last month. Mailing this month will be to the American Committee on Africa List, Working Papers list, and another part of the contributors file.

Mailings: Spanish Refugee list - We are not interested in a trade, they are not interested in paying for the use of our list. Working Papers list - will go out this month. Waiting on signatures from a couple people. They may draft their own cover letter. Liberation - their list costs \$120. We decided we're not interested. We will submit an ad to the classified section of Seven Days.

Office Report: Peggy Duff visited the office this month (International Confederation for Disarmament and Peace - London). Cambridge Tenants Organizing Committee came to the office to discuss the split in the organization and to return the \$1000 we gave them for the typesetter. Paul will return the money to the Ferry's when he goes to see them this month. Decided we would be interested in doing the distribution of the OWL. The person who does typesetting for Dollars and Sense may be interested in typesetting it. Louis will be in contact with Diana Johnstone about it. People should begin putting out the word about staff positions. Wayne will contact Jean Williams to find out if she is still interested. Carole would like to leave at the beginning of June, and Madge plans to leave in August. Madge may go on part time over the summer. We got a letter from Lolita Lebron thanking us for pursuing the denial of her subscriptions to the Resist newsletter at Alderson State Prison.
